Floor plan: Living opens into dining. TV wall preferred on the long west wall. Kitchen must support heavy Indian cooking and concealed utility storage.

Storage: Daily-use storage should be closed, easy-clean, and mapped to wardrobes, foyer, study, and utility.

Kitchen: use wet-zone board, high-cleanability finishes, and chimney/service clearances.

V1 cutlist is a production handoff draft. Final site measurements and working drawings must be checked before cutting.
