- Material and laminate shortlist
- Basic technical drawings
- Working drawing handoff note
- Cutlist readiness checkpoint

Layout and material direction

Living TV unit on long wall, sofa opposite, kitchen run on main counter wall, master wardrobe along entry wall.

Finish tolerance

matte, anti-fingerprint, woodgrain

Disliked materials

None specified

Family / lifestyle

WFH

Designer rationale

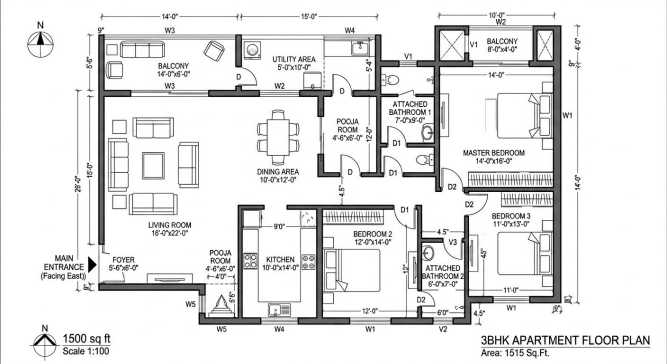

A premium 3BHK package for Bengaluru, shaped around Indian Contemporary, heavy indian cooking, WFH needs, and a curated laminate shortlist led by Merino.

Approval guardrails

- Measured dimensions remain advisory until calibration or site measurement.
- Rendered visuals are concept-level and not CAD substitutes.
- Production cutlists require approved brief, verified dimensions, and final module review.

Floor Plan & Layout Constraints

Manual floor-plan annotations used as the source of truth for room scope, placement notes, and cutlist handoff.

Designer layout notes

Living TV unit on long wall, sofa opposite, kitchen run on main counter wall, master wardrobe along entry wall.

AI floor-plan understanding

88% confidence. Detected Living / TV Wall, Modular Kitchen, Master Suite from manual zones and markers. Key marked components: TV Unit, Sofa, Kitchen Run, Bed, Wardrobe. Furniture notes captured for 5 marked components. Approximate sizes are estimated from the designer calibration.

Annotation legend

Zone: Living / TV Wall	Room living; x8 y10 w36 h28
Zone: Modular Kitchen	Room kitchen; x52 y10 w30 h26
Zone: Master Suite	Room master; x10 y54 w34 h28

Laminate & Material Shortlist

IS 710 BWP plywood for wet kitchen bases; calibrated BWR/HDMR for dry wardrobes, TV units, and lofts.

Merino Anti-Fingerprint Soft Touch

Soft matte anti-fingerprint - wardrobe, kitchen, kids

Best for shutters touched often; easy to wipe and visually calmer than gloss.

Airolam AFPL

Anti-fingerprint matte - kitchen, wardrobe, commercial, kids

Strong practical finish for grease, smudges, classrooms, healthcare, cabinets, and kitchens.

Greenlam AFX

Ultra matte anti-fingerprint - kitchen, wardrobe, study

Strong candidate for dark kitchen base shutters and wardrobes where smudges are visible.

Merino Decorative Laminates

Matte / Gloss / Textured / Metallic / Acrylic - kitchen, wardrobe, tv-wall, foyer

Use for broad palette exploration; specify exact catalogue code during final vendor selection.

CenturyLaminates Acrylo

Premium gloss / ultra matte - kitchen, wardrobe, kids

Scuff-resistant pastel range is useful for softer Indian contemporary palettes.

Royale Touche Crystal Matty+

Premium matte - wardrobe, bedroom, kids

Good balance of premium feel and practical maintenance for bedrooms.

Greenlam HD Gloss

High gloss antimicrobial - kitchen, foyer, tv-wall

Use in controlled highlights or upper cabinets; pair with matte base finishes.

Greenlam Fire Retardant

Suede fire-retardant - kitchen, commercial, pooja

Use near higher-risk zones where fire-retardant performance is part of the spec.

Merino Acrolam

Ultra gloss acrylic - kitchen, wardrobe

Use as accent shutters, not every surface, to avoid glare and fingerprint maintenance.

Royale Touche Crystal

High gloss - kitchen, tv-wall, foyer

Luxury gloss finish for statement shutters, bar units, or TV wall inserts.

Vastu & Practical Checks

Vastu score: 100%

living

living is aligned with common Vastu expectations for E.

kitchen

kitchen is aligned with common Vastu expectations for SE.

master

master is aligned with common Vastu expectations for SW.

Kitchen carcass

Premium/luxury tier should specify IS 710 BWP plywood in wet kitchen bases.

Indian cooking chimney

Specify external ducted high-suction chimney and easy-clean baffle filters.

Wardrobe hanging

Reserve 1600mm vertical hanging clearance for sarees/long garments and 1100-1200mm for kurtas/shirts.

Family safety

Standard durability checks apply.

Brief Approval & Cutlist Handoff

This brief records the approved scope, material assumptions, floor-plan constraints, and practical design checks.

Final working drawings and production cutlists require client approval, site measurement, and designer verification.

Production disclaimer

Final working drawings and production cutlists require client approval, site measurement, and designer verification. All renders and block drawings are proposal aids, not CAD-grade manufacturing documents.
